
Naruto is the main protagonist of the series which is universally known for its manga, anime, and film adaptations. Naruto Uzumaki was born without any ninja abilities. At the age of four, he was shunned by everyone in his village because he had sealed away their anger with his own bare hands. To make up for this lack within himself that threatened to overwhelm him, Naruto dedicated himself to train towards becoming Hokage—the title of leader and protector of everyone in his village. The series follows Naruto's adventures as he trains to become a better shinobi while searching for recognition and acceptance among others. (Taken from the first opening theme "Hito ni Yasashiku" by Tokio) is a rising star in the anime industry. He was born on December 7, 1981 in Fukuoka Prefecture, Japan. He was raised in Karatsu City, Saga Prefecture. During his high school years he enjoyed video games and was an avid PC gamer. This ultimately inspired him to attend university for game design. A few years after graduating, he had accumulated over 200 hours of experience working as an animator on the computer-generated animation program 3ds max, but it was apparent that he lacked actual drawing skills. However, the lure of anime had him attending an animator's school in Tokyo at age 24, where he learned many important techniques. His first assignment had him working on the third season of "Rurouni Kenshin" as an assistant key animator under Tomoharu Katsumata; after which he would become a regular key animator for Studio Gallop's "Sonic X". He is currently affiliated with Production I.G. He is best known for being part of the animation staff for "Gintama", which he began working on in 2007. The series has become the anime that he is most known for, especially with his work on episode 148 titled "Take it Back". - Code Geass: Lelouch of the Rebellion is a Japanese anime series created by Sunrise, directed by Gorō Taniguchi, and written by Ichirō Ōkouchi, with original character designs by manga authors Clamp. It was broadcast on Mainichi Broadcasting System between October 5, 2006 and July 28, 2007. Its sequel series, "Code Geass: Lelouch of the Rebellion R2", aired from April 6, 2008 to September 28, 2008. For the first part of the series it was animated by studio Sunrise and for the second part it was studio Sunrise and Red.
